

MAGIC SLEEK

Magic Sleek Emergency Repair

The newest addition to our amazing line of treatment products will repair the cuticle of the hair, leaving it soft, sleek, and in beautiful condition instantly. It is a deep conditioning treatment that can be applied as often as necessary. The Emergency Repair treatment can be used with a Magic Sleek treatment, added on top of Step #3 Finisher, or used on its own for clients with hair that is extremely damaged or with high porosity.

One vial treats one head. The recommended service charge is \$25-\$35.

Directions:

- Take your vial of Emergency Repair and pour contents into a tint bowl
- Refill the vial with water and mix with the above
- Add to the ends and middle of the hair and comb through
- Process 15 – 20 minutes or more
- Rinse
