

MAGIC SLEEK

How To Use Our Products

- **Magic Sleek Emergency Repair Treatments**

How to Use It:

- Make sure that hair is damp; best applied to freshly washed hair.
 - Pour contents of Emergency Repair into a bowl
 - Refill the empty vial with water and add to bowl
 - Mix until combined
 - Apply to ends and mid-length of damp hair and comb through
 - Leave on for a minimum of 20 minutes (longer if possible.)
 - Rinse and style (use cold water for extra shine.)
- **Magic Sleek Acai Buriti Maracuja Oil**

How to Use It:

- Work a small amount of oil between palms
- Apply to hair from ends to mid-length, avoiding the roots
- Focus on most damaged areas

• **Magic Sleek Pro Titanium Flat Iron**

How to Use It

- Plug into the correct power supply. Our flat iron has universal voltage, which adapts to 100- 240 V (50/60 HZ).
- Hold the 'on/off' button for 3 seconds. Within 30-50 seconds, the heating plates will reach the default temperature.
- Press the '+/-' button to adjust the temperature according to your hair type and tolerance to heat.
- After reaching the desired temperature, the flat iron auto-locks. Press the 'on/off' button

twice to unlock. Digital display will appear white when the auto-lock feature is on and blue when it's off.

- Hold the 'on/off' button for 3 seconds to shut the flat iron off. Unplug the cord and wait for the flat iron to cool down.

- **Magic Sleek Styling Clips**

How to Use It

- For damp hair, use the lower arm to create vertical sections. Clip, dry, and style!
- For dry hair, use the lower arm to create horizontal sections. Clip, dry, and style!
- Apply Magic Sleek™ Acai Oil to lock in shine and finish your look!

- **Magic Sleek Maintenance Shampoo**
